[Notes]

[•] How to read the table: The number "1,153" in the box of the dose row " $1 \le \text{Dose} \le 5$ " and the no. of engaged projects column "3" means that there were 1,153 workers who were engaged in 3 decontamination and related projects and whose radiation doses were in the range of greater than 1 and less than or equal to 5 millisieverts in 2015.
